

ESPSS FEEDBACK FORM

During its development, ESPSS libraries have been improved thanks to the feedback from its users. You can send ESA your feedback before the workshop, so that it can be taken into account for the planned discussions, by sending this form to Francesco.di.Matteo@esa.int . This form will be also available during the workshop to receive additional comments.

OTHER COMMENTS OF INTEREST

WOULD YOU BE INTERESTED IN:

- joining annually a dedicated workshop on ESPSS
- having the workshop collocated every two years with the Space Propulsion Conference and in between at ESA-ESTEC or
- rather having it not collocated with a conference
- other suggestions:.....
- interested in presenting a test case during the Workshop;
