Société Générale Agence AG, 43-45 avenue Kléber, 75784 Paris-France

By Credit Card : Visa Card Mastercard Diners American Express

Credit Card Number :

Expiration date :/...../..... *CID :

*CID :
The CID (card identification) number is the 3 digit value printed on your credit card.
We are requesting it as an added security precaution. It's another measure we take to ensure that your credit card is present when you place your order. If your CID number is illegible, call your credit card company.
VISA, MASTERCARD AND DINER'S CARDS :
The CID (card identification) number is the 3 digit value printed on the signature panel on the back of visa, Master card and Diners Cards immediately following the credit card account number.
AMERICAN EXPRESS CARD:
The CID (card identification) number is the 3 digit value printed above your account number on the face of your card
