# SPONSORSHIP

Following the great success of the **AAAF-ESA-CNES Space Propulsion International Conference**'s past two editions (2008 and 2010) and the sponsors' willingness to insure the event's durability, it has been decided to hold the conference's next edition in 2012 in France, member state and main actor of the field alongside Germany, Italy and the UK.

We are therefore pleased to announce

**AAAF-ESA-CNES Space Propulsion 2012**

**PALAIS DES CONGRES DE BORDEAUX**
